Thank you to all of those who came out to the first Maryland ColdFusion Lunch! Because it was such a success, TeraTech will sponsor another one on Monday, April 28<sup>th</sup>, at 1:30. It will be held at Cosi, located at 1700 Pennsylvania Avenue. To get there, get off the Farragut West Metro stop and walk south on 17<sup>th</sup> street about four blocks; it will be on your right (\*note: don't be fooled by the Potbelly's. Keep walking South on 17<sup>th</sup> past that and you'll be there).

For those not familiar, Maryland ColdFusion Lunch is an opportunity for people to meet up in an informal environment to network with other ColdFusion users. TeraTech holds monthly meetings at our offices in Rockville every second Tuesday, but this is an effort to accommodate those who cannot make it that far on a Tuesday evenings. As with our monthly meetings, these will be free (except for the cost of your own lunch).

If you are interested in having a lunch, but are not close to the location we chose this time, please let us know, and we'll work with you to get a lunch set up near where you work. All questions, comments, concerns and suggestions should likewise be directed to Matt Weiss, [Matt@teratech.com](mailto:Matt@teratech.com). Hope to see you all there!
